

SCHEME OF ARRANGEMENT BECOMES EFFECTIVE

Gold Road Resources Limited (**Gold Road** or the **Company**) is pleased to provide this update in relation to the proposed acquisition by Gruyere Holdings Pty Ltd (**GHPL**), an entity ultimately owned by Gold Fields Limited (**Gold Fields**), of 100% of the shares in Gold Road, by way of a scheme of arrangement (**Scheme**).

Lodgement of Court Orders and Suspension of Trading

Gold Road has today lodged with the Australian Securities and Investments Commission a copy of the orders made by the Supreme Court of Western Australia (**Court Orders**) approving the Scheme. A copy of the Court Orders is attached to this announcement.

The Scheme is now legally effective, and it is expected that Gold Road shares will be suspended from trading on ASX from close of trading today (Friday, 26 September 2025).

Special Dividend

As announced to the ASX on 16 September 2025, the Gold Road Board has determined to pay a fully franked special dividend of A\$0.43694 per Gold Road share (**Special Dividend**) conditional on the Scheme becoming effective. As the Scheme has become effective, Gold Road shareholders recorded in the Gold Road share register as at 7.00pm (AEST) on Tuesday, 30 September 2025 (**Special Dividend Record Date**) will be entitled to receive the Special Dividend. It is expected that the Special Dividend will be paid to eligible Gold Road shareholders on Tuesday, 7 October 2025.

Final Scheme Consideration

Gold Road confirms that the scheme consideration per Gold Road share will be \$3.06423 (**Scheme Consideration**)¹, being the fixed cash consideration component of \$2.52 per Gold Road share, less the Special Dividend of \$0.43694 per Gold Road share, plus the variable cash consideration component of \$0.98117 per Gold Road Share.

As foreshadowed in Gold Road's Scheme booklet released to the ASX on 15 August 2025, the variable cash consideration of \$0.98117 per Gold Road share was calculated today and is the amount equal to each Gold Road shareholder's pro rata proportion of the value of Gold Road's shareholding in Northern Star Resources Ltd (**Northern Star**) determined by the volume weighted average price (**VWAP**) of Northern Star shares traded on the ASX during the 5 trading days up to and including Thursday, 25 September 2025, being the date immediately prior to the Scheme becoming effective.²

¹ In accordance with clause 4.2(c) of the Scheme Implementation Deed released to ASX on 5 May 2025, where the calculation of the Scheme Consideration to be provided to a particular Gold Road shareholder would result in the shareholder becoming entitled to a fraction of a cent, the fractional entitlement will be rounded down to the nearest whole cent.

² The variable cash consideration of \$0.9812 per Gold Road share is calculated based on the 5-day VWAP of Northern Star shares of \$21.77 (up to and including Thursday, 25 September 2025, being the date immediately prior to the Scheme becoming effective), multiplied by the total number of Northern Star shares that Gold Road holds, and divided by Gold Road's total shares outstanding.

Payment of Scheme Consideration

Gold Road shareholders recorded in the Gold Road share register as at the 7.00pm (AEDT) on Wednesday, 8 October 2025 (**Scheme Record Date**) will be entitled to receive the Scheme Consideration for each Gold Road share held at the Scheme Record Date in accordance with the terms of the Scheme.

It is expected that the Scheme will be implemented, and that the Scheme Consideration will be paid to eligible Gold Road shareholders, on Tuesday, 14 October 2025.
