For immediate release to the market

### Appointed as Preferred Contractor – Tower Hill Gold Project

GR Engineering Services Limited (ASX: GNG) (GR Engineering) is pleased to announce that it has been appointed preferred contractor by Genesis Minerals Limited (ASX: GMD) (Genesis) in relation to the engineering, procurement and construction (EPC) contract for the Tower Hill Gold Project (the Project).

The Project is located near Leonora in Western Australia. The scope of work comprises the design, procurement, construction, installation and commissioning of a ~4 Mtpa gold processing facility.

The estimated contract value is \$225 million. Approximately \$20 million of critical path long lead items will be ordered imminently. The EPC contract is expected to be finalised by March 2026.

Commenting on the appointment as preferred contractor, Mr Tony Patrizi, Managing Director said:

*“GR Engineering is pleased to have been selected by Genesis as the preferred contractor for the delivery of the new Tower Hill Gold Project. We see this award as a strong endorsement of GR Engineering’s proven process design record and EPC delivery capability in the gold sector in Western Australia. We look forward to continuing to work with the Genesis team on the successful and safe delivery of this important project as part of their growth strategy.”*

Ends.
