¹ This is the maximum percentage of your total AustralianSuper account balance you can invest in a single listed security when placing a buy order request on the platform. Where "No Limit" is shown there is no maximum exposure limit for this listed security. Investment limits are not enforced for corporate actions such as dividend reinvestment plans or share purchase plans. Your ongoing exposure to individual securities is not monitored and we recommend that you review your individual security exposures on a regular basis using the published investment limits as a guide to ensure appropriate diversification of your portfolio. You must also comply with the other investment limits detailed in the *Member Direct investment option* guide available at australiansuper.com/MemberDirectGuide

² For further information on ETFs and LICs please visit the website of the relevant issuer.

³ Issuer disclosed ongoing annual fees and costs are based on the issuer's Product Disclosure Statement (PDS) on the date this document was prepared and are subject to change without notice to you. Refer to the issuer's website and relevant disclosure documents for the latest fee and cost information.

⁴ Investments in Term Deposits are not covered by the Government's Financial Claims Scheme (FCS). Please refer to australiansuper.com/MemberDirect for term deposit break conditions and early redemption costs.

⁵ Balances in the Cash account are not covered by the Government's Financial Claims Scheme (FCS). Refer to australiansuper.com/MemberDirect for the current interest rate offered in the Cash account.

For more information on the Member Direct investment option please read the *Member Direct investment option* guide available at australiansuper.com/MemberDirectGuide
