## Appointment of Cloud Technology Growth Leader to intelliHR Board

---

**intelliHR Limited (ASX: IHR)** is pleased to announce the appointment of Belle Lajoie as a Non-Executive Director. Belle brings a wealth of experience in fast-growing cloud-based technology businesses and her appointment provides the Board and management with access to her many learnings from these experiences just as it commences a period of rapid international growth.

Belle has played integral roles in driving the operations and commercial success of a number of Australia's most successful technology start-ups including NEXTDC (ASX:NXT) and Megaport (ASX:MP1). During her six years with Megaport as Global Chief Commercial Officer, she was a key part of the team that grew the company from start-up to global enterprise with a market cap of over \$2Billion.

In 2019, Belle was appointed as Chief Executive Officer at Bevan Slattery-founded data centre and cloud services directory provider, Cloudscene. Belle has led the start-up into its next growth phase and is overseeing the ongoing development of the product roadmap and software development implementation, high-level growth plans for marketing, sales and data teams, the management of HR, and operations, training, and GDPR compliance. She also sits on both the internal and external Cloudscene advisory boards.

intelliHR Chairman, Mr Tony Bellas, welcomed the appointment, stating that Belle is an exciting addition to the intelliHR board at a crucial time in intelliHR's growth trajectory.

"Her experience scaling teams both in Australia and internationally will be an asset to intelliHR's plans for rapid and global expansion", Mr Bellas said.

Belle will replace Alan Bignell who is retiring from the intelliHR Board. In thanking Alan for his service, Chairman Mr Tony Bellas paid tribute saying that Alan's Global SaaS experience had proven to be invaluable to the board as it has navigated the challenges of globalizing and scaling intelliHR.

"Alan has provided counsel to the business over a number of years, and I am very pleased that he will continue to offer this post his retirement", Mr Bellas said.

Authorised by the Board of intelliHR.
