Going forward, our focus remains on the following:

1. Distribution and trade programs will continue to be critical until we reach large competitor levels across all channels, giving consumers Yowie availability, especially in US Grocery and Convenience. This is critical to maintain our consumer take-away momentum.
2. Fiscal discipline and cash management is part of our culture and drives healthy margins and allows us to invest in the trade where appropriate.
3. Finding new ways to increase consumer awareness of our brand mission to educate consumers about conservation and endangered species, through new confectionary items and digital engagement opportunities.
