

Chairman's Letter

13 August 2021

Dear Shareholder

Core Lithium Ltd Share Purchase Plan

On 9 August the board of directors (**Board**) of Core Lithium Ltd (ACN 146 287 809) (**Company**) announced a \$140 million equity raise to fund development of the Finniss Lithium Project. The equity raise comprises a:

- fully underwritten placement to sophisticated and professional investors to raise \$91 million at a price of \$0.31 per Share;
- share subscription agreement with Ganfeng Lithium to raise \$34 million at \$0.338 per Share; and
- share purchase plan to raise up to \$15 million at \$0.31 per Share.

On behalf of the Board, I am pleased to offer eligible shareholders the opportunity to subscribe for up to \$30,000 of new fully paid ordinary shares in the Company (**New Shares**) and a minimum of \$2,500 of New Shares, free of brokerage and commission, under a Share Purchase Plan (**SPP** or **Plan**).

The right to participate in the offer under the Plan is optional. It is available exclusively to shareholders who are registered as holders of fully paid ordinary shares in the capital of the Company (**Shares**) at 7:00 pm (AEST) on 6 August 2021 and whose address is recorded in the Company's register of members as being in Australia or New Zealand (**Eligible Shareholders**).

The SPP is targeting to raise up to \$15 million. If the total demand for the SPP exceeds \$15 million, then the Company reserves the right to close the SPP early and/or scale back applications or to increase the amount raised under the Plan (subject to the maximum permitted under the ASX Listing Rules).

The SPP issue price is \$0.310 (31.0 cents) per New Share:

- is the same issue price as the \$91 million fully underwritten institutional placement; and
- represents a 2.4% discount to the volume weighted average price of Shares over the last 5 days on which sales of the Shares were recorded by ASX prior to the date of the announcement of the SPP on 9 August 2021.

It is intended that the funds raised from the SPP will be used towards:

- (a) development and construction of the Finniss Lithium Project;
- (b) exploration and resource drilling on high priority pegmatite targets and lithium projects; and
- (c) working capital.

Eligible Shareholders will also be able to access their Personalised Share Purchase Plan Application form online from today at <https://investor.automic.com.au/#/home>.

Details of the Plan are set out in the Terms and Conditions and the personalised application form enclosed with this letter. The Board urges you to read these Terms and Conditions carefully and in their entirety before deciding whether or not to participate in the Plan. If you are uncertain whether New Shares are a suitable investment for you, then you should consult your financial or other professional adviser.

On behalf of the Board, I invite you to consider this opportunity to increase your investment in the Company.

Yours faithfully

Greg English

SHARE PURCHASE PLAN - TERMS AND CONDITIONS

This document sets out the Terms and Conditions of the Core Lithium Ltd Share Purchase Plan and is binding on any Eligible Shareholder making payment by BPay® or EFT.

Purpose

The Share Purchase Plan (**SPP** or **Plan**) offers Eligible Shareholders of Core Lithium Ltd (**Core** or **Company**) the opportunity to subscribe for new Shares (**New Shares**), up to a maximum value of \$30,000 (subject to any discretionary scale backs).

New Shares under the Plan will be issued at \$0.310 (31.0 cents) each which is a 2.4% discount to the volume weighted average market price (as defined in the Listing Rules) of Shares calculated over the last 5 days on which sales in the Shares were recorded on the ASX prior to the date of announcement of the Plan. The SPP issue price of \$0.310 (31.0 cents) per New Share is less than the highest market price of \$0.360 (36.0 cents) per Share in the 30 day period prior to announcement of the Plan.

The SPP is targeting to raise up to **\$15 million** however the Company reserves absolute discretion regarding the final amount raised under the Plan (subject to the maximum permitted under the ASX Listing Rules).

The SPP allows Eligible Shareholders to increase their investment in the Company without the need to pay brokerage costs.

Participation in the Plan is optional and is subject to these terms and conditions (**Terms and Conditions**). Offers made under the Plan are non-renounceable (i.e. Eligible Shareholders cannot transfer their rights to any New Shares offered under the Plan).

Shareholders eligible to participate in the Plan

Holders of Shares that were registered on the Company share register as a holder of Shares at 7:00pm (AEST) on 6 August 2021 (**Record Date**) with an address in Australia or New Zealand are deemed eligible shareholders (**Eligible Shareholders**) and may participate in the Plan.

If you hold Shares on behalf of persons who reside outside Australia or New Zealand, or are in the United States, you are not an Eligible Shareholder and are not entitled to participate in the Plan. Due to foreign securities laws, it is not practical for shareholders (or beneficial shareholders) resident in other countries to be offered the opportunity to participate in the Plan.

Details of how Custodians, trustees and beneficiaries are treated under the Plan are provided further below.

Joint holders/joint beneficiaries

If two or more persons are registered on the Company share register as jointly holding Shares, they are taken to be a single registered holder of Shares and a certification given by any of them is taken to be a certification given

by all of them (including the certifications in section (k) of the Acknowledgements). If the same joint holders receive more than one offer under the Plan due to multiple identical holdings, the joint holders may only apply in aggregate up to the maximum amount of \$30,000.

Foreign offer restrictions

This document may not be released or distributed in any country other than Australia or New Zealand. This document does not constitute an offer to sell, or a solicitation of an offer to buy, securities in any other country, other than Australia or New Zealand. In particular, any securities described in this document have not been, and will not be, registered under the *US Securities Act of 1933* (as amended) and may not be offered or sold in the United States except in transactions exempt from, or not subject to, registration under the US Securities Act and applicable US state securities laws.

New Zealand

The New Shares offered under the Plan are not being offered or sold to the public within New Zealand other than to existing shareholders of the Company with registered addresses in New Zealand and to whom the Offer is being made in reliance on the *Financial Markets Conduct (Incidental Offers) Exemption Notice 2016* (New Zealand) (as amended by the *Financial Markets Conduct (Incidental Offers) Exemption Amendment Notice 2018*).

This document has not been registered, filed with or approved by any New Zealand regulatory authority under the *Financial Markets Conduct Act 2013* (New Zealand). This document is not an investment statement or prospectus under New Zealand law and is not required to, and may not, contain all the information that an investment statement or prospectus under New Zealand law is required to contain.

How much can you invest?

Eligible Shareholders may apply for a maximum of \$30,000 and a minimum of \$2,500 worth of New Shares under the SPP. This limitation applies even if you receive more than one Application Form, or if you hold Shares in more than one capacity (including, without limitation, in respect of a joint holding or because you have more than one holding under a separate account). It is your responsibility to ensure that the aggregate of the application price paid for the New Shares the subject of your application and any other shares and interests in the class applied for by you under the Plan or issued to you under any similar arrangement in the 12 months prior to the proposed date of issue under the Plan does not exceed \$30,000.

To apply for New Shares under the Plan, please follow the instructions on the enclosed personalised Application Form. Eligible Shareholders may participate by selecting one of the following offers to purchase New Shares under the Plan.

	Subscription amount	Number of Shares to be issued at issue price of \$0.310 per New Share
Minimum application	\$2,500	8,065
	\$5,000	16,130
	\$10,000	32,259
	\$15,000	48,388
	\$20,000	64,517
Maximum application	\$30,000	96,775

Note: Eligible Shareholders are encouraged to submit their applications early as the Directors reserve the right to close the SPP early if oversubscribed. The Directors also reserve the right to scale back the amount of New Shares to be issued. Accordingly, the actual number of New Shares you receive may vary from the above table in the event of oversubscription (excess money will be returned without interest).

The maximum investment any Eligible Shareholder may apply for will remain \$30,000 even if a Shareholder receives more than one Offer (whether in respect of a joint holding or because the Shareholder has more than one holding under a separate account).

If you apply for New Shares under the Plan, you are applying for a certain value of New Shares at the issue price

of \$0.310 (31.0 cents), rather than a certain number of Shares. In the absence of scale back, and subject to an application not being read down or rejected due to the Eligible Shareholder exceeding the \$30,000 maximum application price limit set out in these Terms and Conditions, the number of New Shares to be issued will be calculated by dividing the aggregate application price received by the issue price. Fractional Shares will not be issued and any fraction of a Share will be rounded up to the nearest whole number of Shares.

Once an application for New Shares under the Plan has been made it cannot be revoked. All application monies must be received by 5:00pm AEST on the **Closing Date of Thursday, 2 September 2021**. All valid applications shall be deemed accepted if received before the Closing Date.

You should be aware that although the offer price of \$0.31 per New Share is at a discount to the market price of Company Shares on ASX as at the date the Plan was announced, Shares are a speculative investment and there is a risk that the market price of Shares on ASX may change between the date of this document and the date of issue of the New Shares under the SPP, and that the value of the New Shares received under the Plan may rise or fall accordingly. The Board recommends that you obtain your own financial advice in relation to the Offer under the SPP and consider price movements of Shares in the Company prior to making an application under this SPP.

How do you apply?

If you would like to subscribe for New Shares, then you will need to do so via BPay® or Electronic Funds Transfer (EFT) in accordance with the instructions set out below.

Payment by BPay®¹ and EFT

Eligible Shareholders wishing to pay by BPay® or EFT must use the specific biller code and customer reference numbers (BPay®) or unique reference number (EFT) detailed on their personalised Application Form.

If you choose to pay via BPay® or EFT you are not required to submit your Application Form.

Any Eligible Shareholder that chooses to pay by BPay® or EFT is deemed to have certified to the Company that the amount of Shares (including joint or any other beneficial interests):

- the subject of the application;
 - applied for under the SPP or any Shares issued under a similar arrangement in the 12 months before the application;
 - which the Eligible Shareholder has instructed a custodian to acquire on their behalf under the SPP; or
 - issued to a custodian under an arrangement similar to the SPP in the 12 months before the application as a result of an instruction given by the Eligible Shareholder to the custodian or another custodian and which resulted in the Eligible Shareholder holding beneficial interests in the Shares,
- does not exceed \$30,000 (including joint or any other beneficial interests).

Your payment must be received (in cleared funds) before 5:00pm (AEST) on the Closing Date and no New Shares will be issued to you in respect of that application if received after that time. If you have multiple holdings you will have multiple BPay® or EFT personalised reference numbers. To ensure you receive your New Shares under the Offer in respect of that holding, you must use the specific biller code and the customer reference number (BPay®) or unique reference number (EFT) shown on each personalised Application Form when paying for any New Shares that you wish to apply for in respect of that holding.

If you inadvertently use the same Customer Reference Number (BPay®) or unique reference number (EFT) for more than one of your applications, you will be deemed to have applied only for the application to which that Customer Reference Number (BPay®) or unique reference number (EFT) applies and any excess amount will be refunded.

Applicants should be aware that their own financial institution may implement earlier cut off times with regards to electronic payment, and should therefore take this into consideration when making payment. You may also have your own limit on the amount that can be paid via BPay® or EFT. It is your responsibility to check that the

¹ ® Registered to BPAY Pty Ltd, ABN 69 079 137 518

amount you wish to pay via BPay® or EFT does not exceed your limit.

Once an application under the Plan has been made or your BPay® or EFT payment made, it cannot be revoked.

Raising Amount and Scale back

The Plan is targeting to raise up to \$15 million, however the Company reserves absolute discretion regarding the final amount raised under the Plan. If total demand for the SPP exceeds \$15 million, the Company reserves the right to close the SPP early and/ or scale back applications (or to increase the amount raised) in its absolute and sole discretion (subject to the maximum amount permitted under the ASX Listing Rules). When determining the amount (if any) by which to scale back an application, the Company may take into account a number of factors, including the size of an applicant's shareholding, the extent to which Eligible Shareholders have sold or bought additional Shares after the Record Date and the date an application was made. Scale back for Shares held by Custodians will be applied at the level of the underlying beneficiary. Eligible Shareholders are therefore encouraged to submit their applications early.

If the Company undertakes a scale back, Eligible Shareholders will receive the number of New Shares determined by the Company in its absolute discretion, which may be less than the number of New Shares applied for. In that event, the number of New Shares will be rounded up to the nearest whole Share.

If the Company rejects or scales-back an application or purported application, then the Company will promptly return to the Eligible Shareholder any surplus application monies, without interest. If the amount received is less than the minimum application amount of \$2,500, then Core will not issue any New Shares to you and the money received from you will be refunded without interest.

Core reserves the right to reject any application for New Shares under the SPP that it believes does not comply with these Terms and Conditions.

Shortfall

In the event that less than \$15 million is raised under the Plan, the full amount of the shortfall may be placed at the discretion of the Board subject to compliance with the necessary legal and contractual requirements. The Company confirms that any issue of shortfall will be placed subject to the Company's compliance with ASX Listing Rule 7.1 and/or 7.1A at the time of issue. Where the shortfall exceeds the Company's placement capacity, the shortfall will only be placed if shareholder approval is obtained. Core confirms that the shares issued under the Plan will be issued under ASX Listing Rule 7.2 exception 5.

Issue and Quotation of New Shares

New Shares to be issued under the Plan will rank equally in all respects with all other Shares from the date of issue and will be issued as soon as reasonably practicable after the Closing Date.

Shareholding statements or CHESS notification will be issued in respect of all New Shares issued under the Plan.

The Company will, promptly after the issue of New Shares under the Plan, make application for those New Shares to be listed for quotation on the official list of ASX. You should confirm your holding before trading in any New Shares you believe have been issued to you under the SPP.

Participation is optional

Participation in the SPP is entirely optional (subject to the eligibility criteria set out in these Terms and Conditions). If you do not wish to accept the offer under the SPP, then you do not need to take any action and the SPP offer will lapse on the Closing Date.

Underwriting

The Offer is not underwritten.

Custodians, trustees and nominees

If you are an Eligible Shareholder and hold Shares as a Custodian (as defined in Corporations Act (Share and Interest Purchase Plans) Instrument 2019/547 (refer below) (**Custodian**) or in any more specific ASIC relief granted to the Company in relation to the Plan), you may apply for up to the maximum of New Shares for each beneficiary for whom you act as Custodian provided you annexe to your Plan application form (**Application Form**) a certificate to the Company (**Custodian Certificate**) with the following information:

- that you held Shares on behalf of:
 - one or more other persons that are not custodians (each a **Participating Beneficiary**); and or
 - another custodian (**Downstream Custodian**) that holds beneficial interests in Shares on behalf of one or more other persons who are resident in Australia or New Zealand to which those beneficial interests relate (each a **Participating Beneficiary**),at the Record Date who have subsequently instructed you and/or the Downstream Custodian, to apply for Shares under the Plan on their behalf;
- the number of Participating Beneficiaries and their names and addresses;
- the number of Shares that:
 - you hold on behalf of each Participating Beneficiary; or
 - where you hold shares on behalf of a Participating Beneficiary indirectly through a Downstream Custodian, the number of shares to which the Participating Beneficiary's beneficial interests relate,(as applicable);
- confirmation that each Participating Beneficiary subsequently instructed:
 - you; or
 - where you hold shares on behalf of a Participating Beneficiary indirectly through a Downstream Custodian, the Downstream Custodian,to apply for shares on their behalf under the SPP (as applicable);
- the dollar amount of Shares that each Participating Beneficiary has instructed you, either directly or indirectly through a Downstream Custodian, to apply for on their behalf;
- confirmation that the application price for Shares applied under the Offer for each Participating Beneficiary for whom you act plus the application price for any other Shares issued to you as custodian for that Participating Beneficiary under any arrangement similar to the Plan in the prior 12 months does not exceed \$30,000;
- confirmation that a copy of these Terms and Conditions was given to each Participating Beneficiary; and
- where you hold shares on behalf of a Participating Beneficiary indirectly, through one or more Downstream Custodians, the name and address of each Downstream Custodian.

For the purposes of ASIC Corporations Act (Share and Interest Purchase Plans) Instrument 2019/547 you are a '**Custodian**' if you are a registered holder that:

- holds an Australian financial services licence that allows you to perform custodian or depository services;
- is exempt from the requirement to hold an Australian financial services licence covering the provision of a custodial or depository service;
- holds an Australian financial services licence covering the operation of an IDPS or is a responsible entity of an IDPS-like scheme;
- is a trustee of a self-managed superannuation fund or a superannuation master trust; or
- is a registered holder of shares or interests in the class and is noted on the register of members of the body or scheme as holding the shares or interests on account of another person.

If you hold Shares as a trustee or nominee for another person or persons but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings (above) apply.

Custodians should request a Custodian Certificate when making an application on behalf of Participating Beneficiaries. To request a Custodian Certificate and if you would like further information on how to apply, you should contact Automic Registry Services on 1300 288 664 (within Australia) during the offer period.

The Company reserves the right to reject any application for New Shares to the extent it considers that the application (whether alone or in conjunction with other applications) does not comply with these requirements. The Company reserves the right to reject applications in accordance with these Terms and Conditions.

Modification and Termination of the Plan

The Company may modify or terminate the Plan, or waive strict compliance with any of the Terms and Conditions, at any time and any modification, waiver or termination is binding on all Eligible Shareholders even where the Company does not notify you of that event.

In the event the Plan is terminated before the issue of New Shares, all application monies will be returned to you, without interest, by direct credit to your nominated account as recorded on the Company's share register or cheque to your address as shown on the Company's share register as soon as practicable.

Without limiting the above, the Company may issue to any person fewer New Shares than the person applied for under the Plan, including, if the issue of the New Shares applied for would contravene any applicable law or the Listing Rules of ASX or Corporations Act (Share and Interest Purchase Plans) Instrument 2019/547.

Class Order compliance

The SPP offer of New Shares is made in accordance with ASIC Corporations Act (Share and Interest Purchase Plans) Instrument 2019/547, which grants relief from the requirement to prepare a prospectus for the SPP offer of New Shares.

Application Form

The Application Form forms part of the Terms and Conditions for the purposes of the Plan and the Offer.

Dispute Resolution

The Company may, in any manner it thinks fit, settle any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the Plan, whether generally or in relation to any participant, application or New Shares. The decision of the Company in this respect will be conclusive and binding on all shareholders and other persons to whom that determination relates.

The Company reserves the right to waive strict compliance with any provision of these Terms and Conditions. The powers of the Company under these conditions may be exercised by the Directors or any delegate of the Directors.

Governing Law

The Terms and Conditions and the Offer under the Plan are governed by the laws of South Australia.

HOW TO APPLY FOR NEW SHARES UNDER THE SPP

1 Application

As an Eligible Shareholder, you can apply for up to a maximum of A\$30,000 worth of New Shares. Eligible Shareholders can select one of the following parcels prescribed overleaf.

In order to comply with ASIC Instrument 2019/547, the maximum value of New Shares each eligible shareholder (irrespective of the size of their shareholding) may apply for under this Offer is A\$30,000 (including through joint holding(s), multiple share accounts or any holding in which they have a beneficial interest/s). This limit will apply even if you receive more than one offer from the Company (for example, because you are a joint holder of shares or because you hold more than one shareholding under separate share accounts).

If the Company receives an amount that does not equal one of the amounts specified overleaf or a subscription of over A\$30,000 worth of New Shares by a shareholder through multiple applications or joint holdings, the Company may either:

- (a) reject the Application and refund in full the Application money (without interest) to the Eligible Shareholder; or
- (b) apply the dollar amount of the payment to the highest designated parcel that is less than the amount of the payment and refund the excess Application money (without interest) to the Eligible Shareholder.

No fractions of New Shares will be issued.
