

Money3 Corporation Limited (ASX: MNY, "Money3" or the "Group") is pleased to advise it has completed the acquisition of GMF Australia Pty Ltd (GMFA), a subsidiary of General Motors Financial Company Inc, as announced in January 2021.

Highlights:

- Acquisition increases the Group's automotive loan book by approximately \$23 million
- Adds approximately 700 automotive loans for new vehicles to the Group's loan book
- Complements the Group's expansion into near prime automotive lending
- \$17m acquisition funded from existing cash

GMFA's customer base consists of customers who purchased a new vehicle through a Holden dealership in 2018 and 2019 in Australia and have a strong credit profile.

GMFA will be integrated into Money3's market leading Customer Care team, with minimal increase in ongoing operational expenses.

Money3 Managing Director Scott Baldwin said: "Our acquisition of GMF Australia was a perfect opportunity for us to expand our growing base of customers with prime credit quality and follows the completion of our acquisition of Automotive Financial Services (AFS) last month.

"Having experienced a strong first half year, with a loan book now exceeding \$500m, we are well placed to maintain our growth for 2H FY21 and we will continue to pursue growth opportunities alongside driving strong organic growth."
