Whispir Limited
(ASX: WSP)

Renewal of Telstra Business Partner Agreement

Whispir Limited (WSP, Whispir or Company), a leading software-as-a-service (SaaS) communications workflow platform that automates interactions between organisations and people, is pleased to confirm that its wholly owned subsidiary, Whispir Australia Pty Ltd, has renewed its business partner agreement (**Telstra BPA**) with Telstra Corporation Limited (**Telstra**) for a further period of three (3) years, on the same terms and conditions.

The Telstra BPA provides for Telstra entering into contracts with its customers for the re-sale of the Whispir platform and other services. It also provides the terms under which Telstra uses the Whispir platform and services for its own internal purposes.

About Whispir

Whispir is a global scale SaaS company, founded in 2001 to provide a communications workflow platform that automates interactions between organisations and people.

Our products enable organisations to improve their communications through automated workflows to ensure stakeholders receive accurate, timely, useful and actionable insights in a manner that is sensitive to individual contexts and preferences. Our customers use Whispir's software to create interactive, multi-party and omnichannel communications from templates, solving simple to complex communications workflow tasks.

Whispir operates across three key regions of ANZ, Asia and North America.
