

Openpay partnership moves to full scale rollout on 1st Group's platforms

Follows excellent early outcomes for merchants and patients from the program

1st Group Limited (ASX: 1ST), the Australian digital health group, notes the announcement released by Openpay today, 15th March 2021.

The Announcement refers to “the partnership between Openpay and 1st Group moving from initial roll out into full scale production, ahead of schedule, following excellent early outcomes for merchants and patients.”

The announcement follows 1st Group's commentary on the partnership with Openpay originally released to ASX on 15th July 2020.

Klaus Bartosch, co-founder and Managing Director noted, “We are pleased our partnership with Openpay is progressing to full scale production, three months ahead of schedule. The initial results are excellent, validating our ability to improve patient experience from booking to payment. We look forward to developing this strong partnership and providing this service to more patients and healthcare merchants.”
